

Confrérie de la Chaîne des Rôtisseurs

Bailliage de l'Algarve

Jantar Gastronómico de 10 de Junho de 2011

The *Chaîne des Rôtisseurs*, is the oldest gastronomic association in the world, founded in France in 1248 under the reign of King St. Louis as the "Royal Guild of Goose Roasters". It is an international gastronomic society dedicated to bringing together professional and non-professional members from around the world who appreciate wine, cuisine and fine dining. With almost 24 000 members in about seventy countries, the *Chaîne* is forever expanding and evolving through the creation of new "Baillages". One unique point about the *Chaîne* is that membership is transferable worldwide. This means that if you become a *Chaîne* member in one country and then for professional or personal reasons you move to another country, your membership is still valid. Additionally, it also allows you to be part of the *Chaîne's* international network and participate in *Chaîne* events and activities in different countries across the globe. The society also supports and promotes the future of young cooks and *Sommeliers*, and sponsors several food release programs through the *Chaîne* Foundation.
