A word from Marie Jones, Vice-President of the Chaîne, inducting Officer at our Chapitre

Warm greetings to you all!

Without a doubt the Algarve is alluring with its golden beaches, scalloped bays, sandy islands and deep blue sky. Its reputation as a 'must go' destination is Europe, if not world, wide. But besides the wonderful scenery and weather the region is also enticing for anyone with a passion for simple, lovingly prepared food whether in Michelin-starred establishments or humble eateries.

Where better therefore to celebrate the 'savoir vivre' that is the essence of the Chaîne des Rôtisseurs!

Joining our gastronomic association reaches beyond national boundaries as one becomes part of a truly international brotherhood represented in over 70 countries. The high culture of the table with its fine food and wine are important but it is the people, the members and their guests, who complete the success of the Confrérie. Whether it is at a local, national or international level, the Chaîne brings wonderful opportunities to travel and meet fellow members anywhere in the world.

Members of the Chaîne are united in friendship with the duty to respect and support each other. I can assure that you will be warmly welcomed as fellow 'Rôtisseurs', just as the warmth of welcome in Portugal is always assured.

I am looking forward to being with you in June. From the programme of events I know that we can all look forward to a captivating Grand Chapitre full of ceremony and enjoyment.

With best wishes

**Marie Jones

4^{ème} GRAND CHAPITRE INTERNATIONAL DE L'ALGARVE

JUNE 11th – JUNE 14th, 2015

All our events are in support of the ACCR and of the Gastronomy School of the Chaîne

Welcome to all!

As President of the Portuguese Chaîne, I have delegated full powers for the important task of organising this Grand Chapitre International 2015 to my dear Friend Dr Jean Ferran, Chargé de Mission National, Bailli Provincial, and also Bailli of the Algarve.

The quality is guaranteed from the start, and I have no doubt that it will again be a great success, like all the events this region has accustomed us to since the 1st Chapitre of Portugal which took place in the Algarve in 1973

A challenge made harder, no doubt, by the current economic situation, by the remoteness of the Algarve, and again by the time of year chosen. However, if we look more closely, we quickly realise how easy it is to transform these difficulties into real advantages, to ensure the presence of a large number of participants.

Having selected the most interesting areas of the Algarve for the tours and visits, and chosen establishments of our professional Chaîne members with great worldwide recognition, we are able to offer an exceptionally high level, otherwise impossible to achieve. Faro airport being so close makes the distances smaller, both nationally and internationally

I hope to welcome you with the certainty that the Algarve will provide a Grand Chapitre of high quality.

My gastronomic greetings,

Aníbal Soares

Bailli Délégué / Président de la Chaîne des Rôtisseurs (Portugal)
