"OCEAN" NO VILA VITA, ARMAÇÃO DE PERA

Incredibly, the Chaîne has not had a dinner at "Ocean" since the restaurant was completely redecorated, so we felt it was time to return to this exceptional favourite. In the meantime, Hans' cuisine has gone from strength to strength, his imagination and skills reflecting in every dish, and he is backed with an impeccable service. The new decor is stunning, and the Ocean's experience will leave a long-lasting impression in your memory.

Por incrível que pareça, a Chaîne ainda não teve um jantar no "Ocean" desde que o restaurante foi completamente redecorado e então achamos que estava na altura de regressar a este excepcional nosso favorito. Entretanto a culinária do Hans cresce em força, a sua criatividade e dotes refletem-se a cada prato, auxiliado com um serviço impecável. A nova decoração é deslumbrante, e a experiência do Ocean's deixará uma memória inesquecível.

The decor, based on a palette of blue and golden shades is the reflection of a peaceful seaside scenery, and the magnificent corals which fill up one of its side walls, as well as the Murano crystals resembling medusas by the entrance, are a clear clue to the inspiration behind Ocean's new image, entirely renovated in 2016.

Leading the kitchen since 2007 is Austrian-born Hans Neuner, Portugal's Chef of the Year in 2009 and 2012. By his side, a dedicated and talented team that helps to develop the remarkable gastronomic creations based on the best local ingredients and products that make up its seasonal menus. The wine rack, separating the room from the kitchen, is made of around 560 national and international references, carefully selected by Sommelier Nelson Marreiros, that constitute one of the largest private vintage wines collection in the Iberian Peninsula.
